

BALDWIN[®]
A R C H E T Y P E S[™]

This is Archetypes

Archetypes are not reproductions or replicas. This is home hardware that expresses the aesthetic of other times and places. Inspired designs, brilliantly crafted, presented by Baldwin.

Archetypes recalls the art, architecture, politics and society of another era.

Rich cultural references infused into new, inspired designs. Archetypes evokes the spirit of place throughout your home — timeless ideas inspiring your own personal style.
